## Diving

There are five to six dive operators between Dolphin-House Coral-Point and our recommendation: Scotty's. Scotty's is within the Shangri-La Mactan Resort just 2 or 5 min. away from Dolphin-House Coral-Point.

When booking your dives thru us, you can avail the special rates we contracted with Scotty's and enjoy the Shangri-La surrounding.

We have no doubt that this the best and most professional dive operator to fully cover Dolphin-House quality and safety standards.

**These special rates will only apply if pre booked and pre payed!**
